PADONIA PLUS

63 E. Padonia Road, Suite 100 ▪ Lutherville-Timonium, MD 21093

When you have a healthcare need that isn't an emergency, but your primary care doctor is unavailable for an appointment right away, it can be challenging to know where to turn. For patients who get their care at any of the GBMC Health Partners advanced primary care practices, a solution is available.

Padonia Plus offers same-day appointments for illnesses and minor injuries. It also has laboratory and radiology services onsite. The practice makes it possible for patients to see a GBMC provider who can easily access their medical record, communicate with their regular provider, and even schedule follow-up appointments if needed.

Schedule an appointment at Padonia Plus by logging into MyChart, clicking "Schedule an Appointment," and selecting "Sick-Same Day."
