## THE VETERANS RAND 12-ITEM HEALTH SURVEY (VR-12)

The following questions ask for your views about your health—how you feel and how well you are able to do your usual activities. All kinds of people across the country are being asked these same questions. Their answers and yours will help to improve health care for everyone. There are no right or wrong answers; please choose the answer that best fits your life right now.

care for everyone. There are no right or wrong answers; please choose the answer that best fits your life right now.			
Answer each question by marking an 'X' next to the best response. For example:			
	What is your gender? □ Male ⊠ Female		
Q1.	In general, would you say your health is:  Excellent Very good Good Fair Poor		
Q2.	The following questions are about activities you might do during a typical day. Does <b>your health now limit you</b> in these activities? If so, how much?		
	<ul> <li>a. Moderate activities, such as moving a table, pushing a vacuum cleaner, bowling playing golf?</li> <li>Yes, limited a lot</li> <li>Yes, limited a little</li> <li>No, not limited at all</li> </ul> b. Climbing several flights of stairs? <ul> <li>Yes, limited a lot</li> </ul>	or	
	Yes, limited a lot  No, not limited at all		

Public reporting burden for this collection of information is estimated to average 7 minutes per response. This time includes the length of time allotted for the survey questions. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Address, ATTN; PRA (XXX-XXXX). Do not return the completed form to this address.
